

"Quality time for better care" is the brand promise of Terumo Medical Care Solutions.

HOSPITAL CARE

Portfolio Guide

Needles

Agani™ needle

Sterile single use hypodermic needles with special geometry and sharp lancet point.

Agani™ Safety hypodermic needle

Sterile single use safety engineered hypodermic needles to minimize the risk of an accidental needle stick.

Dental needle

Sterile single use needle to be used with cartridge syringe suitable for dental anaesthesia and other purposes, available in a wide range of sizes.

Syringes

Terumo syringes

Sterile 3-part syringe for single use for the aspiration and/or injection of fluids for medical purposes.

Syringes with needles

Sterile 3-part syringe for single use pre-connected with a sterile hypodermic needle.

Miscellaneous

Tourniquets

Tourniquets are an essential tool to prepare patient for venous access.

Peripheral I.V. catheters

Conventional I.V. Catheters

Short peripheral intravascular catheter with an ETFE¹, FEP² or PUR³ catheter tube and stainless steel introducer needle. Different models are available: straight, winged, winged and ported and with Surflash™ system.

I.V. catheters with integrated sharps protection

Short peripheral intravascular catheter with an introducer needle and integrated sharps protection technology.⁴ Different models are available: straight, winged and winged and ported.

Winged infusion sets

Surflo™ winged infusion set

The Surflo winged infusion set (= Scalp Vein or SV-set) is used for intravenous injection.

Surflo™ winged infusion set with protector

The Surflo winged infusion set with protector (= Scalp Vein or SV-set) is used for intravenous injection. The Surshield™ protector is intended to cover the exposed needle immediately after use to prevent needle stick injuries.

Thermometer

Terumo professional thermometers guarantee two precise methods to measure body temperature and enable a long lifespan of approximately 10.000 measurements.

1 Surflo™ range
2 Surflo™ S-Plus, -W and -WP range

3 Versatus™ and Surflash™ range
4 Surshield™ Versatus™ range

The safety and comfort
of your patients is in your hands!

Peak performance
even in little things - made easy!
